**TWO CD-ROM SET**

Completely updated and revised for this new edition, our unique electronic book on two CD-ROMs has an amazing collection of the finest federal documents and resources about Turkmenistan, providing encyclopedic coverage of all aspects of the country. This disc set provides a truly fantastic reference source, with over one hundred thousand pages reproduced in Adobe Acrobat format! There is complete coverage of newsworthy material about Turkmenistan, including U.S. relations, USAID, including over 9,000 pages of USAID reports, War on Terror, doing business, Clinton Administration, Caspian Sea Diplomacy, Minerals Management Service, Peace Corps, energy and Caspian Sea pipelines, LNG (liquefied natural gas), and more. This incredible and comprehensive series on the countries of the world contains material from the State Department, Department of Defense, White House, and cabinet agencies including Agriculture, Energy, and the U.S. Citizenship and Immigration Services. There is complete information about geography, people, government, the economy, communications, transportation, military, and transnational issues. In addition to the nation-specific material, as a bonus we have included reports about every country on the globe, with 271 nations, dependent areas, and other entities identified by the Central Intelligence Agency. The CIA World Factbook is considered an invaluable world encyclopedia reference book. This incredible two CD-ROM set is packed with over 100,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems. The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material.
