

Pendragons Banner (Pendragons Banner Trilogy)

At age twenty-four, King Arthur has the Kingdom he fought so hard for and a new young family. But keeping the throne of Britain - and keeping his wife and three sons safe proves far from easy. There are two enemies who threaten everything that is dear to him and tragedy strikes just when Arthur needs his dear wife Gwenhwyfar most, putting their passionate relationship on precarious ground. It promises to take all of Arthur's strength, courage and cunning to secure his birthright and the confidence of his queen.
