

Personal Injury Paralegal: Forms and Procedures

Taking up where your personal file leaves off, *Personal Injury Paralegal: Forms and Procedures* is loaded with sample correspondence, forms, checklists, and pleadings - creating a time-saving resource that helps you work through personal injury cases in the most effective, efficient way possible. You'll find complete coverage of the paralegal's role in conducting a personal injury case from initial client interview through settlement, arbitration, or litigation, including post trial and appeal. The book also includes explanations and sample documents for all types of injury complaints, including slip and fall, product liability, wrongful death, auto accident, medical malpractice, and more.
