

Physicians Desk Reference, 66th Edition

Physicians Desk Reference has been the authoritative source on prescription drugs for 66 years. Found in virtually every physicians office, pharmacy, clinic, and library, no medical reference is more current, more recognized, or more respected. Now in its 66th year, PDR contains full FDA-approved drug label information, including warnings and precautions, drug interactions, and hundreds of full-color pill images. Every label in PDR includes information on dosages, side effects, and safety information, such as contraindications, pregnancy ratings, and interactions with other drugs, food, or alcohol. Data on clinical trials is also included.
