

Makeshift Marriage - Second Chance At Love

Hot sex scenes and a heartwarming story! I couldn't put it down! - Rose M. A Will: Thirty years ago Hidden Falls, Texas, went through a rough patch and Rachel's father bought up most of the businesses. Since then, he's owned the deeds and town morale has struggled. Now that he's been diagnosed with terminal cancer Rachel will be the sole heir of her father's estate if she meets the requirement: She needs a husband--quick! A Plan: With time ticking, Rachel finds herself desperate and asks Cole Walker if he'll marry her just until she gets the deeds back and into the hands of the townspeople. Seven years ago Rachel and the rancher-turned-sheriff had a good thing going. The sex was great and she wanted nothing more. When Cole proposed she severed all ties and hurt him bad. Would he be willing to help her out? A Wedding: Cole readily agrees to this makeshift marriage and, though Rachel is suspicious over his willingness, she can't deny the fact that having this man in her bed again is too exciting to pass up. Once her plan unfolds she and Cole will divorce and part ways once again. It seems pretty simple. The problem is, she has no idea that Cole has no intentions of letting her go this time. ***Contains erotic sex scenes***
