

# Pope Francis Talks to Couples: Wisdom on Marriage and Family; Excerpted from Amoris Laetitia, The Joy of Love

This brief book, excerpted from the papal exhortation Amoris Laetitia, distills for those about to be married or just marrieds, the essence of the value of a lifelong union and the beauty of the vocation to marriage. And he speaks of the reality of family and of children, who are a living reflection of the couples love, a permanent sign of their conjugal unity and a living and inseparable synthesis of their being a father and a mother.
