

Musical Instrument Auction Price Guide, 2002 Edition

Since 1990, musical instrument dealers, appraisers, collectors and experts in the trade have relied upon this comprehensive annual guide. Now you can have the same powerful information at your fingertips! This illustrated book offers the most in-depth data available on the values of antique and vintage instruments and bows. It provides: prices for thousands of instruments auctioned in 2001, shown in U.S. dollars and British pounds; a five-year summary of auction activity, arranged alphabetically by maker and instrument with high, low and average selling prices; contact information for major auction houses; full-page, full-color photos; and much more!
