

Punishing Melissa (Older Man Younger Woman Discipline Story)

Nineteen-year-old tight bodied Melissa just realized her favorite pair of panties are missing, and she suspects her super hot, muscular neighbor to be the culprit. She's not upset, though. In fact, the young and untouched girl is more than willing to play his naughty little game. Hard, fast and without protection! But when Mr. Wilson discovers what she stole from his house in return, it's clear she has gone too far. Way too far. Now Melissa will have to be punished for putting him in a really tight spot-between resisting his taboo urges and losing his job. She needs to be disciplined for misbehaving before his whole life falls apart. Or maybe Melissa was just looking to get punished all along
