

THE LESBIAN AND THE WOMANIZER: A Collection of Humorous & Slightly Naughty Nonfiction

A collection of essays exploring the fluid and sometimes confusing nature of sexuality that have been published in The Guardian, The Daily Mail, and Marie Claire, Australia, among others. There are five essays in all. Included in this collection are two premiere pieces: Skype Me Baby and The I Luv Ewe. Thanks to digital media I am now able to make them available to my reading public. Enjoy!
