

Action-packed, blood-drenched lead-ins introduce the main characters from the film, played by Adrien Brody and Laurence Fishburne, and set up Rodriguez's reboot of the Predator film franchise by showing how the characters fought for their lives and arrived on the Predators alien planet. Then, after an adaptation of the film itself, find out what happened to the surviving characters immediately after the movie, when they were stranded on the hostile world with only each other - and the faint hope of escape - to help them outlast the Predators.
