

Get Set for School

Children learn with joy and ease using the multisensory readiness activities in Get Set for School. This award-winning activity book uses music, movement, building, coloring, and other hands-on exercises to help children of different abilities develop color and shape awareness, fine and gross motor control, letter and number recognition, counting skills, and social skills. * Shapes, pre-strokes, letters, and numbers are introduced in a developmental learning sequence. * Multisensory play teaches capital letter and number formation. * Build and Draw Mat Man™ pages teach body awareness and self drawing skills.
