

Making Waves: A PrettyTOUGH Novel

Its summer break for the girls at Beachwood Academy and that means sun, surf, and sensational escapades at the Beachwood Country Club. Abby, a rising sophomore, is so excited to have gotten a last-minute gig as a lifeguard, especially because jobs are usually reserved for club members. Abby desperately wants to win the annual lifeguarding competition, and with it a college scholarship. But when she arrives for her first day on the job, she finds herself face-to-face with some serious club member attitude. And there's an even bigger surprise waiting for her: the gorgeous senior boy she's been pining over ever since they met at a swimming competition earlier this year. Can Abby break through the rules, regs, and mean girls to be the first-ever non-club member to win the summertime lifeguarding competition and maybe even the boy of her dreams?
