

## Pride of Baghdad

In the spring of 2003, a pride of lions escapes from the Baghdad Zoo during an American bombing raid. Lost and confused, hungry but finally free, the four lions roamed the decimated streets of Baghdad in a desperate struggle for their lives. In documenting the plight of the lions, PRIDE OF BAGHDAD raises questions about the true meaning of liberation - can it be given, or is it earned only through self-determination and sacrifice? And in the end, is it truly better to die free than to live in captivity?
