

Primal Pleasure (Pendragon Gargoyles)

He will have his revenge one wicked seduction at a time. Pendragon Gargoyles, Book 3 Emma is used to getting dragged into her twin sisters magical messes, but this time her predicament is more than a minor annoyance. She's chained to a cat shifter that her sister encased in a curse of stone. Worse, the unfortunate gargoyles waking up. And her sisters not there to take the heat. After a century suspended in stone, Cian would do anything to get his hands on the sorceress who put him there. Strangely, his dreams of revenge turn into an animal hunger to put his hands all over her in every delightfully wicked way imaginable. Never as talented as her sister, Emma doesn't trust her own magic. But for now she must let Cian believe she's the culprit in order to strike a bargain: to permanently lift the curse in exchange for his tracking skills to find her missing sister. The longer she is near him, though, the closer she comes to surrendering much more than her body to the brutal warrior. As their attraction catches fire, Emma dreads what could happen when he learns the truth. If he will sacrifice her to break the spell or fight for a love that goes beyond animal instinct. Warning: This book contains adult language, violence, bone-melting explicit sex and a stubborn alpha male who likes his revenge served hot, wild and strong enough to bring him to his knees.
