

Merriment in the Museum - Book One in the Rock My Socks Off Trilogy

Writer Jacob Hastings is uninspired by his latest assignment: a museum full of hideous rocking horses. But his socks are rocked by Normandie Stephens, a mischievous astronomer who can match his dry wit, quip for quip, and his sexual appetite, frolic for frolic, with energy to spare. Thanks to Jacobs public relations and the machinations of a feisty and frisky mentor named Kate, an impasse in Normandies career now promises to blossom into either glory or disaster. Whatever the outcome, theyll find plenty of time for sensuous threesomes, horny little quickies, and sex-drenched romantic rendezvous along the way.Reviews:A blisteringly good read. From the opening lines the story is charged with chemistry between the central characters. - Erotica Readers & Writers AssociationMr. Edwards paints a delightful picture of a relationship grounded on mutual respect and mutual horniness. The result is satisfaction for all, including the reader.... If youre in search of some good-natured, cheeky entertainment, I recommend it highly. - Erotica RevealedWhat makes this book truly special ... is the raucous sense of humor upon which the sex is buoyed.... There is not a cliché to be found in the entire novel and, when it comes to erotica, that alone is quite a feat. - Oysters & Chocolate EroticAbout the AuthorJeremy Edwards work has appeared in over thirty-five short-story anthologies including three volumes in the Mammoth Book of Best New Erotica series. He contributes frequently to Scarlet and Forum, and has read at New Yorks In the Flesh events.
