

## Promises to Keep: A Novel

New York Times bestselling author Jane Green presents a compelling novel about the love that keeps us together when everything is falling apart. A successful photographer living in Bedford, New York, Callie Perry adores the settled existence she shares with her handsome husband and two adorable children. But while Callie's life is practically perfect, her nearest and dearest are having a harder time. Her best friend Lila is stuck dealing with her dream man's demanding ex-wife. Her free-spirited sister Steffi is adjusting after leaving her city life for the simplicity of the country. And her divorced parents, Walter and Honor, can barely stand each other. But when Callie is diagnosed with a recurrence of the cancer she thought she had beaten, everything changes. With their own problems suddenly in perspective, Callie's family and friends rally to support her during an unforgettable, emotional and ultimately life-changing year.
