

Near Death Experience Book: New Evidence of Heaven?

ARE NEAR DEATH EXPERIENCES (NDEs) NEW EVIDENCE OF HEAVEN? Over seven hundred people a day claim to experience an NDE. Where do they go and what do they experience? The Near Death Experience Book delves into the thousands of documented cases of those that have died, experienced, and came back to talk about it. THE NUMBERS ARE ON THE RISE There are more NDEs everyday thanks to the life-saving techniques of modern science. Even doctors today are starting to agree that the end of life doesn't necessarily mean the end of consciousness. QUESTIONS ANSWERED Do religious people have more afterlife experiences? What do religions think about near-death experiences? What about children and NDEs? Do people that commit suicide have different near-death experiences? How are people changed once they come back? Find out these things and more in this short, concise book about what waits for us all.
