

The Purple Candy: A Book Behind Food Additives Truth

This book does not pretend to attack food additives, but to inform the reader about the role they play in our daily diet and our health. It is also intended to show the truth about processed food components and how to avoid eating food additives. You'll begin to pay more attention to the food you eat after reading this book. If you're ready to know what's in all your favorite snacks, then just crack open this book.
