

This guide takes readers well beyond the basic skills of map and compass, moving readers to a level of complete understanding of navigation in the outdoors--regardless of terrain or time of day, whether traveling over rock or ice, through desert or jungle, on a river or at sea. As one of the most thorough books on the subject, Advanced Outdoor Navigation complements Falcons successful list of navigation titles by going beyond the basics and offering readers the most comprehensive study of navigational skills ever published. Written by Greg Davenport, considered one of the best global survival experts in the world.
