

Green Lantern: Rage of the Red Lanterns

Superstar writer Geoff Johns (GREEN LANTERN: SINESTRO CORPS WAR, THE FLASH, ACTION COMICS, JSA) unleashes a spectrum of adventure in this tale, which sees an all-new, all-evil Red Lantern Corps let loose on the galaxy! As a prelude to the highly anticipated 2009 GREEN LANTERN storyline The Blackest Night, this collection sets up the events that Geoff Johns has been leading to since he relaunched the Green Lantern franchise in 2006! Plagued by an age-old prophecy from a prison planet on the far side of the galaxy, Green Lantern Hal Jordan searches for answers about the fate of his Green Lantern Corps. But when a primal being named Atrocitus emerges from that hell planet, he leads a Red Lantern Corps against Jordan and his brethren in a campaign to spread rage across the cosmos.
