

Revelation (Private Book 8)

The biggest mystery of all...and Reed is dying to learn the truth. Two months after Cheyenne Martin was found dead in her Billings House dorm room, exclusive Easton Academy is rocked by another stunning revelation: Cheyenne was murdered. No one knows who the killer is, but everyone agrees that Reed Brennan, who took over Cheyennes role as Billings president, gained the most from her death. Once the most powerful girl on campus, Reed is now powerless to stop her classmates accusing whispers. Rumors begin to swirl that she killed Cheyenne. And just like that, Reed is kicked out of Billings. Shes lost everything -- her friends, her home, her boyfriend -- and Reed knows the only way to get it all back is to figure out who really murdered Cheyenne. And she has to do it fast because the killer is still out there. The more Reed investigates, the more she uncovers. And as any Billings Girl knows...secrets can be deadly.
