

The Sweet Scent of Blood (Spellcrackers.com)

Genny is a rising star at spellcrackers.com: she finds the M in magic - and that invariably means Mischief, Malice and Murder! Genevieve Taylor is a Sidhe, one of the noble fae, and shes unusual, even in present-day London where celebrity vampires, eccentric goblins and scheming lesser fae mix freely with the human population. Genny is a rising star at Spellcrackers.com, where she finds the M in magic - and that invariably leads to mischief, malice and - too often - murder. Spellcrackers.com is affiliated to the Witch Council, whose ancient tenets prohibit any contact with vampires. Genny also works as a volunteer at a clinic which treats victims of vampire attacks. Then theres her extra-curricular activity, extracting vulnerable fae lured by the local fang gangs. Genny certainly doesnt wants any closer involvement with the vampire community. But when Mr October, one of the hot calendar pin-up vamps, is accused of violently murdering his girlfriend, Gennys called on to repay an old debt and prove his innocence. And that means consorting with some of the sexiest vamps in London! THE SWEET SCENT OF BLOOD is the first book of SPELLCRACKERS.COM, a sexy, sassy new series guaranteed to spice up your reading life! Suzanne Mcleod has been a cocktail waitress, dance group promoter and barmaid at Coventry City Football Club (the last despite having no love for the beautiful game; she had to pay the rent somehow!) After years in retail management, she started writing. THE SWEET SCENT OF BLOOD, the first of the SPELLCRACKERS.COM series, is her first novel. She lives with her husband and rescue dogs in Bournemouth. A British Kim Harrison: a debut writer who will take the paranormal romance field by storm!
