

The Testament of Gideon Mack

A critical success on both sides of the Atlantic, this darkly imaginative novel from Scottish author James Robertson takes a tantalizing trip into the spiritual by way of a haunting paranormal mystery. When Reverend Gideon Mack, a good minister despite his atheism, tumbles into a deep ravine called the Black Jaws, he is presumed dead. Three days later, however, he emerges bruised but alive-and insistent that his rescuer was Satan himself. Against the background of an incredulous world, Macks disturbing odyssey and the tortuous life that led to it create a mesmerizing meditation on faith, mortality, and the power of the unknown.
