

Ridin Dirty (Diablo MC Erotic Motorcycle Club Biker Romance)

Good girls dont follow the Diablo MC. Young, broke and living out of her car, Blanca finds herself tending bar at Hades, the home base of the Diablo MC. It doesnt take much time for her long legs and wild hair to catch the eye of the club leader, Dax. Blanca quickly finds herself thrown in the middle of a war between two feuding gangs. What will happen when Blanca falls into the hands of the clubs fiercest enemy, the Outlaw MC? **WARNING:** This 9,300+ word story contains graphic language and wild and rough sex between the leader of the Diablo motorcycle club and the young woman who gets caught up in his world. Intended for MATURE AUDIENCES 18+ only! **EXCERPT:** The men who rode with the Diablos were part of the 1% of bikers that werent upright and law-abiding citizens. They ran guns and drugs and treated most women like property. They werent the kindly bikers that collected toys for orphans. They were criminals, and they owned this city. You cant blame a girl for wanting to get as close as possible to the source of the power, and it poured off Dax in waves. I looked away for a moment, trying not to stare, but my eyes travelled back to him like a magnet. This time, his cold blue eyes were gazing right back at me. Silently, he crooked a finger at me. Something I can get for you boys? I asked. Acting like a timid little flower got you nowhere in this world. Whats your name, sweetheart? Dax drawled. Blanca, I replied, holding his gaze. I knew I was attractive. My long legs tapered to a thin waist with a flat stomach that came more from being broke than from spending hours at the gym. The tight tank top I wore clung to my round, perky breasts, the word HADES scrawled across them emphasizing my lack of a bra. A wild mane of ebony curls framed my dark eyes. I might be younger than Daxs usual playthings, but he was definitely looking. Whiskey, he said. Four glasses and leave the bottle. They

sat, pouring glass after glass. The low din of the bar made it impossible to hear what they were talking about. As the level in the bottle grew lower, some of the tension faded out of Dax. As I passed the table on my way back to the bar, two empty bottles in my hand, Dax's arm snaked around my waist and pulled me down onto his lap. I like you, Blanca. You look like a girl who can keep her mouth shut. Mutely, I nodded, wondering where he was going with this. Charlie can hire whoever he wants, but they don't stick around unless I approve. Dax leaned forward, pressing his lips against my ear and breathed, I approve.
