

Rift

A stunning collaboration from Robert Vaughan and Kathy Fish, two masters of flash fiction, who've blended their work together in a vibrant explosion that is all of these things: evocative, heart wrenching, rare in the wild. The stories in RIFT explore the gamut of human connection and conflict, where emotions run deep beneath the surface. Divided into four sections: Fault, Breach, Tremor, and Cataclysm, writers Fish and Vaughan thread together their tales of strange encounters, mishaps, accidents, and disrepair. The world of RIFT is riven, tumultuous, and haunting. In here, danger lurks and the fallible human heart lay exposed and vulnerable. Fish and Vaughan leave their readers spellbound, mystified, and eager for the next story.
