

You Dont Love Me Yet

Lucinda Hoekke works at The Complaint Line, listening to anonymous callers air their random grievances. She becomes captivated by the ruminations of one particular caller, and they fall desperately in love. Lucinda also plays bass in a struggling band whose lyricist, Bedwin, is suffering from writers block, and whose lead singer, Matthew, has kidnapped a kangaroo from the local zoo. Hoping to re-charge the bands creative energy, Lucinda suggests some of The Complainers philosophical musings to Bedwin, who transforms them into brilliant songs - with disastrous consequences. What results is a comedy of plagiarism, usurpation, and sex, with delightful echoes of Jane Austens Emma
