

Gemini - Taken by the Alien Kings: A Sci-Fi Menage Alien Romance (Lords of Astria)

She never dreamed her life would change in an instant... Real Estate Agent Jane Jenkins led a boring existence, spending her days going on way too many bad blind dates and being annoyed by her coworkers in her dead-end job. But all that is about to change... They're looking for a new Queen... and a new mate... Caught in the midst of a tense standoff with the Dark Nebula, Princes Revi and Gaelan have been charged with finding a noble woman to bear a child. When they find Jane, and accidentally get her caught up in an intergalactic struggle for supremacy, they have no choice but to bring her home with them... But what will happen when Jane realizes that they BOTH want her for themselves... And that choosing them means never being able to return to earth?
