

## San Juan: Ciudad Sonada (Americas) (Spanish Edition)

Todo el paisaje de mi infancia ha desaparecido ... Edgardo Rodríguez Juliá is an expert and lyrical guide to the history, inhabitants, and culture of his native city of San Juan, recalling scenes from his childhood while chronicling the social and physical changes in the city. Though superhighways have replaced the winding lanes and Puerto Ricans remain socially and politically divided, Rodríguez Juliá also evokes picturesque imagery and the melancholy sweetness of remembrance as he leads readers through his Ciudad Sonada, his city of dreams.
