

Kiss Me, Cowboy (Cowboy Dreamin Book 6)

When Candace Alexander arrives in Bandera Texas, shes there to visit an old friend, not find a boyfriend, but the moment she sets eyes on Joshua Young, she decides she wants to experience everything cowboy including anything and everything he can provide. Joshua Young likes the looks of Candace the moment she spills beer down the back of his shirt. Red hair and bright green eyes drag him in and hang on tight. He cant seem to get her out of his mind and when she asks him to help her experience everything to do with the cowboy lifestyle, hes definitely intrigued. Will life in Los Angeles drag her back to the real world before shes ready or will the fascinating cowboy keep her tied up for a good, long while?
