

## Jennifer Love Hewitts Music Box #1 (Cover C - 1:25 Signed Retailer Incentive Variant) Jennifer Love Hewitt Autograph

In this exciting new horror anthology in the vein of Twilight Zone and Outer Limits, series creator and megastar Jennifer Love Hewitt (Ghost Whisperer) has enlisted two-time Wizard award-winning writer Scott Lobdell to help her tell pulse-pounding, fear inducing stories about a haunted music box and those it possesses! The first person to come across the mysterious music box-its age and origin forever shrouded in mystery-is a New York City forensic scientist who yearns for the ability to stop crimes before they happen. The music box grants him his wish, but like a melodic monkeys paw, it comes at a price he could not possibly have imagined!
