

## Revenant: A Greywalker Novel

Harper Blaine was your average small-time PI until she died for two minutes. Now Harper is a Greywalker, treading the thin line between the living world and the paranormal realm. And these abilities are landing her all sorts of strange cases....Turmoil, sickness, and destruction are sweeping through Europe and their effects are being felt all the way across the world in Seattle. Harper Blaine and her lover, Quinton, suspect that Quinton's father, James Purlis and his terrifying Ghost Division is involved. Following a dark trail of grotesque crimes and black magic across the Old World, the pair slowly draws closer to their quarry. But finding and dismantling the Ghost Division won't be enough to stop the horror that Purlis has unwittingly set in motion. An ancient and forgotten cult has allied with Quinton's mad father. And their goals are far more nightmarish than Harper and Quinton or even Purlis could ever imagine.
