

Seven Blind Mice

The Caldecott Honor book and modern classic now in boardbook format. Finally! Nearly twenty years ago, Ed Young translated the ancient parable of the seven blind men and the elephant into a modern childrens classic, one as simple as it is profound. A lesson in colors, numbers, the days of the week and most important, knowledge, this beautifully illustrated book has stood the test of time and continues to entertain and teach. Now in board book format, even the youngest children can experience the beauty and wisdom.
