

Sex & Spaghetti: Its All You Think About

People have at least one thing in common regardless of where they are from, the language they speak, or the color of their skin: people love to eat! Sex & Spaghetti celebrates this commonality by sharing recipes for great food and drink, while reminding us that the special people in our lives are what make an average meal an event. Inside you will find easy-to-follow recipes that the author collected from family, friends, and throughout his travels while serving 25 years in the U.S. Marine Corps. The recipes have been selected, not solely on the great food that results, but because of the memories of the celebrations that they represent. Sex & Spaghetti contains: Recipes collected from friends and family, 30-minute meals, Easy-to-follow instructions, Wine and Beer Rules & Recommendations, and Short tales describing why certain recipes are memorable Sex & Spaghetti.....Its All You Think About!
