

Sharkbait (Linford Mystery Library (Large Print))

When Pat Tallon had friends, a fishing yacht and a future, theyd been hired to go after the shark they called the mako. This time Tallon is a stranger in a strange city, the killers he is hunting have two legs and are more deadly than any mako... and he is the sharkbait. Moving from Melbourne to the East Indies, SHARKBAIT is a fast-paced thriller with all the tension of the shark hunt itself.
