

Magic at Work (Love or Magic Book 1)

She thought he hated her. He thought she was too good for him. Fate proved them both wrong. Lexi Adams suffers from extreme job dissatisfaction. The only things she finds challenging are the sexy IT guy and the on-line erotic romance novel she discovers, starring her spitting image. Unfortunately, the man is insufferable, and the novel only accessible at work. Aware Lexis workload doesnt meet her potential, Ric Ackart, head of the IT department, decides to find out what she does in front of her computer screen all day. His surprise at what he finds is overshadowed by the fact that the novels leading man shares his face and the name he used years ago. Despite their stubbornness, the two cant deny the explosive chemistry between them. Ric is forced to come to terms with his feelings, but Lexi isnt willing to give him more than her body. An unlikely ally and a touch of magic may be just what Lexi needs, to accept the gift fate has thrown her waytrue love.
