

## As My Cowboy Desires: (Alpha Male, Cowboy, Domination, Submission, Erotic Romance) (The 7 Men you Meet Before Your True Love) (Volume 5)

What if you suddenly lost your memory? Do you think you would again be drawn to the man you fell in love with? Christine Richards has traveled the world and has seen things that she could never have imagined. Yet she believes that everything that has happened was designed to lead her to the man who could be her true love, Lucas. Lucas was known as the Miracle Boy before he disappeared. As a child he had a mystical ability that no one could explain. But whereas the world thinks he has vanished, Christine has found him. Discovering that Lucas is working as a cowboy on a fighting bull ranch near Seville, Spain, Christine (now Ezie) learns how to be a cowgirl and moves heaven and earth to meet him. And in the moment that they are finally about to meet, a heroic act by Christine leads to an accident that robs her of her memories. The evil ranch owner, seizing his opportunity, takes Christine in while she recovers. Telling her that she had come to his ranch as his lover, he first seduces and then blackmails her into doing things that she could never have imagined. But will Christine get her memory back? Will she remember why she has traveled thousands of miles? Will she remember her feelings for Lucas? And even if they meet, even IF they fall in love, will she remember to ask him the one question that only he can answer? This steamy Spanish novella (written in English) has enough twists to keep the pages turning. And you will never guess how the story of these star-crossed lovers will end. \*Please note that this story contains very explicit descriptions of erotic and sexual situations written for extreme genital arousal which will lead to self-pleasure. Mature readers only.
