

Brats of Beverly Hills: Nicolette: A Taboo Erotic Story

Nicolette was supposed to be off limits. To even think about her the way I was thinking about her was absolutely forbidden. But she was so cute, so sexy, so tempting. How could I not fantasize about her day and night? We were living under the same roof, after all. When a guy attacked her, I kicked his ass. How dare he touch her? How dare anyone touch her? But when she crept into my bed one night, I had no idea what she had on her mind. I'd been trying to think of ways to seduce her for ages, and now she was seducing me! Taboo? Sure. Wrong? Eh, depends on who you ask. Did I do it? Damned right, I did, and I do it again. And again. And again! Best of all, she wanted me to get her pregnant!
