

Skyscraper: A Novel

The bestselling author of *Gettin Buck Wild* and *The Sisters of APF* gives new meaning to the term office party in this exhilarating and boldly erotic novel about the passion of business -- and the business of passion. Most corporations hand out bonus checks or gift certificates for Christmas, but Wolfe Industries hands out drama. *Skyscraper* chronicles the week before the annual Christmas party at Wolfe Industries, an African American-owned automobile manufacturer. The week leading up to the Wolfe Industries annual Christmas party is unforgettable, as the lives of four people who have barely interacted with one another in the past begin to cross paths in the most disturbing ways. By the time the party is over, they will be lucky if the skyscraper is still standing.
