

Veterinary Dentistry: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series)

Dentistry is among the fastest growing areas of small animal practice. In this color review a group of world-renowned experts provide systematic coverage of the subject as randomized self-assessment case presentations in the form of integrated questions, superb illustrations?color photos, imaging diagrams and tables?and detailed explanatory answers. The book is designed to appeal to veterinary students preparing for exams, and to veterinary practitioners in their continuing professional development.
