

Under His Roof Box Set: A Domestic Discipline Romance Series

Three sexy domestic discipline novellas wrapped up in one bundle - for your pleasure! Rachel has had great success in her career, but in the meantime has inadvertently shunned her friends and family from her life. So she seeks the help of a professional disciplinarian to provide her with motivation to be kind. David, the professional disciplinarian, has given up on trying to have a relationship. He's not willing to break his self-made protocol and hit on a client, but he's equally unwilling to have a vanilla relationship. He needs to be in charge. What will happen when the unlikely pair meets? This series explores Rachel and David's relationship and Rachel's exploration of and commitment to the world of domestic discipline. Readers can expect lots of spankings, lots of sex, and lots of love with three happily ever afters.
