

# The Metamorphosis

Acclaimed graphic artist Peter Kuper presents a brilliant, darkly comic reimagining of Kafkas classic tale of family, alienation, and a giant bug. Kupers electric drawings which merge American cartooning with German expressionism bring Kafkas prose to vivid life, reviving the original storys humor and poignancy in a way that will surprise and delight readers of Kafka and graphic novels alike. A brilliant illustrated adaptation of Franz Kafkas famous story. Its a real pleasure to read and one in which everyone will recognize the existential drama and uncanny wit of the original text. Susan Bernstein, associate professor of comparative literature and German studies, Brown University
