

## Speak Business English Like an American: Learn the Idioms & Expressions You Need to Succeed On The Job! (Book & Audio CD)

Speak Business English Like an American is the bestselling book & audio CD set designed to help you succeed on the job -- whatever you're doing, wherever you're working. The set is great for self-study, with dozens of helpful exercises to reinforce the material. It's also a wonderful supplemental text that's in use in universities across the USA. American English speakers use many phrases and expressions on the job. If you don't know these expressions, you are left out of the conversation. This book & CD will help you speak business English like an American ... quickly and confidently. Once you have the knack, no one can take it away from you. With this book and CD, your career will benefit for years to come. You will learn the idioms & expressions that you hear at work. What do your colleagues and coworkers, your customers or clients really mean? How can you use these expressions too? Language is always changing and business English changes especially fast. That's why we've explained the most up-to-date expressions -- today's business English. Now you will be able to use these expressions, too. People will marvel at your command of English.
