

Sport In East Central Africa: Being An Account Of Hunting Trips In Portuguese And Other Districts Of East Central Africa

Reprint of the 1899. Hardbound. Oversized octavo. Book xvi, 340 p., [4] leaves of plates : ill. London : R. Ward, 1899. One of the rarest and most sought after big game hunting books in several categories. A scarce Rowland Ward publication, a great book on elephant hunting and a rare African big game hunting title. These are hunting trips in Portuguese East Africa (now Mozambique) and other districts in East Central Africa-the great game hunting locations. The author hunted elephant, rhinoceros and other big game animals. This title continues Kirbys big game hunting adventures in the neighborhood of the Zambesi and Shire rivers. He bagged kudu, leopard, eland, and buffalo while also shooting hippo and crocodiles. His best chapters cover his experiences hunting elephant in the Chiringoma region. Czech BIBLIOGRAPHY OF AFRICAN BIG GAME HUNTING BOOKS p. 89.
