

Starting & Owning Your Own Business

This book tells small business owners and entrepreneurs everything need to know about turning their good ideas into profitable businesses. Whether they want to establish a sole-proprietorship, incorporate, or seek venture capital for an eventual stock-market listing, this book explores each of the options and warns of the possible problems. The skills entrepreneurs need and the issues they face are explained in a simple, no-nonsense manner. This new book will guide entrepreneurs to fulfilling their new-business dreams. The bonus CD-ROM includes self-assessment exercises, online resources, spreadsheets, and bonus tips on writing a business plan.
