

## Armageddon Z (Stone Soldiers #6)

(Book 6 in the Stone Soldiers series) Kenji Nakayama has seen the end of the world--and it isn't pretty. Those killed by a horrific plague have risen up, reanimated and eager to kill. Those that have survived struggle to find somewhere safe. For Kenji, this nightmare never ends--no matter how many times he dies. That all changes when the young precog encounters the Stone Soldiers, rescuing survivors and slaughtering zombies. Kenji learns that the petrified super soldiers could have prevented the apocalypse with a little forewarning. Luckily for them, Kenji can do just that--by going back and experiencing it all one more time. Can the men of living stone save the world with Kenji's help, or will the monster behind the undead apocalypse prove more than even a super psychic can handle? The Stone Soldiers are America's secret weapon against the forces of darkness. A small detachment of psychics, supernatural soldiers and men turned to living stone, they respond to threats conventional forces are not equipped to handle. Battling myths, monsters and magic around the world, the men and women of Detachment 1039 stand ready to do whatever it takes to stop evil in its tracks.
