

Stones from the River

From the acclaimed author of *Floating in My Mothers Palm and Children and Fire*, a stunning story about ordinary people living in extraordinary times. A daring, magnificent, and mesmerizing vision (Los Angeles Times). Trudi Montag is a Zwerga dwarf, short, undesirable, different, the voice of anyone who has ever tried to fit in. Eventually she learns that being different is a secret that all humans share from her mother who flees into madness, to her friend Georg whose parents pretend he's a girl, to the Jews Trudi harbors in her cellar. Ursula Hegi brings us a timeless and unforgettable story in Trudi and a small town, weaving together a profound tapestry of emotional power, humanity, and truth.
