

## Such Men as These

On 8th March 1916, after the attack and capture of the Dujailah Redoubt, an officer belonging to another Corps, wrote home thus: A German-educated Turkish Officer, after being taken prisoner, said of the Manchesters attack, The English talk about Balaclava that was six Balaclavas! I was standing by my General, Sulieman Bey, who said, Thanks be to Allah I have been spared to fight against such men as these! The History of the Manchester Regiment Volume 2. The author, unable to couch such sentiments expressed as meaningfully as the above would hope that Sulieman Bey may he rest in peace! would not object if I borrow his words to exult the fortitude of those of my comrades dead and living whose friendship, and companionship, has helped to formulate the events stated herein. In war and peace, many have set their mark upon the authors memory. This book is dedicated to THEM.
