

Sudden Death

Outrageous, irrepressible and endlessly entertaining, the bestselling author of *Rubyfruit Jungle* and *Bingo* spins a behind-the-scenes tale of women's professional tennis that dramatically intertwines the heart-stopping excitement of competition and the lingering heartache of intimate human bonds. Carmen Semanan loves three things passionately: tennis, money and professor Harriet Rawls. Just twenty-four, Carmen is at her peak as one of the world's top-seeded tennis champions, determined to win the coveted Grand Slam. She is protected from everything but the grueling demands of her sport by an avaricious agent and her devoted gussy Harriet. All the odds are in her favor. But there are weeds growing in her paradise patch. Carmen's ve-y latin brother, Miguel, parlays her success into a financial house of cards with deals that include smuggling, forgery, and fraud. Susan Reilly, Carmen's archrival and former lover, leaks word of Carmen's relationship with Harriet to the press--and tennis's best-kept secret is blown into a front-page scandal. From the French Open to Wimbledon, jealousies, ambitions and passions are set to explode. Now, with everything she cherishes on the line, Carmen must test the true depths of her feelings--both on and off the court.
