

## Cage of Stars

12-year-old Veronica Swans idyllic life in a close-knit Mormon community is shattered when her two younger sisters are brutally murdered. Although her parents find the strength to forgive the deranged killer, Scott Early, Veronica cannot do the same. Years later, she sets out alone to avenge her sisters deaths, dropping her identity and severing ties in the process. As she closes in on Early, Veronica will discover the true meaning of sin and compassion, before she makes a decision that will change her and her families lives forever.
