

Swamp Thing Vol. 2: Family Tree (Swamp Thing Volume (The New 52))

Alec Holland is back as the Swamp Thing, fully formed as the protector of The Green. Immediately upon his return, he must battle his way through the Bone Kingdom and The Rot to free his ally - and ex-girlfriend - Abigail Arcane. But will the cost of freeing her be...fighting her? Nothing, not even this titanic battle, will prepare Swampy for what he has to face next--a resurrected and even more dangerous Anton Arcane! BATMAN writer Scott Snyder and artist Yanick Paquette bring you one of the New 52s breakthrough titles with the classic DC mainstay, Swamp Thing!
